**Our Vision:** *At Resurrection Catholic Primary School, we learn passionately, we serve joyfully, we care.*

## Today's Prayer – He is not ashamed to call them brothers.

*The letter to the Hebrews was not written to a particular community addressing particular issues as in letters such as Ephesians or Corinthians. It was a letter which addressed a bigger idea – Jesus as the key to salvation. After the destruction of the temple, Jewish people lost a sense of identity which they had found in the temple. The author here suggests that Jesus was the new focus, the new centre of life. He came from God, but lived like one of us, suffered and died, conquered death and helped us see how we could have a relationship with God. Through Jesus, we can see that God is active and walks among us.*

Brothers and sisters: He 'for a little while' was made 'lower than the angels', that by the grace of God he might taste death for everyone. For it was fitting that he, for whom and through whom all things exist, in bringing many children to glory, should make the leader to their salvation perfect through suffering. He who consecrates and those who are being consecrated all have one origin. Therefore, he is not ashamed to call them 'brothers'. *Hebrews 2: 9-11*

## NEWS FROM THE PRINCIPAL

Welcome Back! I trust that you have all had a restful and enjoyable term break, and are ready for the fourth term.

**Uniform** Now is the time to bring out the Summer uniform, including our school hat! But please remember, we can still have some very cold mornings and children may feel more comfortable in the winter uniform. Hats must be worn during break times and sports activities, otherwise students will be asked to remain seated in the shade.

**Car Park reminder** During the morning drop off, there is a "left turn only" rule when departing the school grounds – this helps with smooth traffic flow on Gum Rd. Please remember to obey this rule.

**Eco-Warriors** We have a great band of students who are helping with keeping the school playgrounds clean – our Eco-Warriors! They survey the yard with bucket and tongs in hand and clean-up errant wrappers and bags that are on the ground. It is great that we have such an enthusiastic band but it is everyone's responsibility to ensure that wrappers and packaging doesn't end up on the ground. You might be able to help by minimising wrapping in your child/ren's lunches.

May God bless you,  
John Connors

## IMPETIGO – SCHOOL SORES

Please note we have had a reported case of School Sores. Please see below for more information.

*Impetigo (im-pet-eye-go) is an infection of the skin caused by bacteria. It is often called school sores because it is common among school children. Impetigo causes sores on the skin, which are usually itchy. The sores may start out as blisters that burst and become weepy, before being covered with a crust.*

*Impetigo is not usually a serious infection, and should clear up a few days after starting medical treatment. Children with impetigo are very infectious (contagious), but the spread of impetigo can be reduced by practising good hygiene, covering the sores with dressings and keeping your child away from other children until they are no longer infectious.*

### Signs and symptoms of impetigo

- *The sores can be anywhere on the body, but are often on the face near the mouth and nose, or on the arms and legs.*
- *Impetigo may start with a blister or a group of blisters.*
- *The blister bursts leaving a patch of red, wet, weepy skin.*
- *The sore usually becomes coated with a tan or yellowish crust, making it look like it has been covered with honey.*
- *There can be small spots around the first sores, spreading outwards.*
- *There is often superficial peeling on the edge of the sore.*
- *Impetigo is usually itchy.*

*Parents sometimes worry about impetigo because it can look quite serious, but it is usually a mild infection that is easy to treat.*

## Program Update

### Term 4

Welcome back OSHClub families to term 4.

The children have already been involved in many activities playing games such as dodgeball teachers and students are both getting involved which is fun and great to see. Occupied by capture the flag and markers up. These games give the children the confidence and opportunity to demonstrate their physical and athletic skills. Each day we run an OSHClub meeting with the children, this gives them the opportunity to make suggestions for food and activities we can implement for the upcoming weeks. The children have been involved in Science activities at school and are eager to get ready and build on their curiosity. In the second week of Term 4, the children will be making a volcano, paint it and see it erupt. We are going to be involved in a range of art activities, such as painting, drawing and more. The children at OSHClub love to cook and get involved in preparing food for parties, so children get ready as we are going to have another party in a few weeks to celebrate Halloween and have some fun. More details will be released closer to the day.

Each Friday we provide the children with a delightful breakfast, serving: pancakes, french toast, scrambled eggs and many more meals that please the children.

We are strongly encouraging children to complete their homework here at OSHClub as it allows them to work together and support one another. The children have really been utilising their time wisely and completing their homework after the OSH meeting and before play.

It is Term 4 so children need to 'SLIP, SLOP SLAP' and be Sun Smart. Please, parents, bring hats to the service and leave them here if you like. We will have a hat basket and put all the children's hats in individual bags with their name on it.

**Staff updates:** Stephanie, Claudia, and Alex are the permanent educators working daily at Resurrection OSHClub with the support from casual workers coming and taking part in caring for the children and working alongside the staff. Alex is currently on Annual leave and will return on the 11th of October.

OSHClub meetings allow us to discuss the activities, food, safety, and respect of one another.

Please note Parents if you are having issues with the new portal for enrolments or current accounts please come and see me Stephanie in the OSHClub room - I am happy to help. If you don't find me in the room as I have finished for the day contact me on 0408 477 328 leave a message and I will return your call. Parents our system has changed and you are now able to book 3 hours prior to a session.

*We look forward to seeing you!*
