Prayer: The word “Amen”

*Amen* appears in the earliest Jewish texts and is prayed by Muslims as well as Jews and Christians. It was and still is used to declare something to be true or to confirm something. It indicates that one strongly agrees with something, like ‘I agree!’ or ‘I believe!’

The word *Amen* is found in some of the books of the Old Testament. Examples of this are in the book of Jeremiah, the prophet (28: 6), and in the book of Deuteronomy (27: 14) where we read ‘and all the people shall say *Amen*’. We also find this word in the gospels and in Paul’s letters – it usually concludes a prayer. The word ‘Amen’ is prayed in Liturgy and in the celebration of Sacraments. There are two very special times during Mass that people pray *Amen*:

1. at the close of the Prayer of Consecration in the liturgy: Celebrant: Through him, and with him, and in him, O God, almighty Father, in the unity of the Holy Spirit, all glory and honour is yours, for ever and ever. And we all respond: *Amen*. - and

May the God of peace be with us all. *Amen*.

**NEWS FROM THE PRINCIPAL**

**Prep Welcome and Parish Celebration** Thanks to those who came along – it wasn’t the greatest day, weather-wise, but there were warm smiles and friendly conversations at the BBQ, the Devonshire Tea and the Jumping Castles. Our thanks also go to the Parish Social Committee for organising the event, doing up the rosters, setting up and packing up – we appreciate it greatly.

**Working Bee** Our first working bee for the year is this Saturday 25th February, 8:30-12:00. There is always plenty to be done around the grounds. The more people that attend, the easier it will be. For this working bee, we have asked families in Yrs 3 & 4 to attend, but all are welcome. Please fill in the form below if you intend to come (for catering purposes – we always finish with a sausage sizzle).

**Car Park** The school car park is a valuable asset that very few schools have at their disposal. The use of our car park has been great this year, with everyone settling into the routine well. However, there are always a few reminders that must be made, to ensure the smooth flow of traffic. Please do not enter Gate 1 (the big car park entrance) against the flow of traffic – there is a sign on the front fence that states, “Do not enter against traffic”. In order for traffic to flow out of the car park, both lanes can be used for exiting cars – the right lane for those turning right and the left lane for those turning left. By following these simple rules, the use of our car park will be a better experience for all.
School Photos We have organised for School Photos to be taken on Wednesday 15th March. Students should be dressed in the summer uniform. Further information about this can be found in this newsletter.

Year 5/6 Camp News from the camp is great, all are having a blast. Today (Thursday), we have been at MSAC, involved in some great water activities. We will have more to report next week.

Engaged in Learning The following article was published in Brisbane’s Courier Mail on Saturday 18th February.

STUDENTS who have parents interested in their schooling have higher grades, lower dropout rates and are more likely to enrol in post-school study than those who have no parental involvement. Parental engagement at school also contributes to improved social skills and behaviour and provides them with a greater sense of competence, an Australian Research Alliance for Children and Youth report finds. The more educated and engaged children are at school, the greater their chance of career success. Nazareth Catholic College principal Phil Lewis says many parents are concerned they cannot help their children with their schoolwork but, in reality, just taking an interest can have a significant effect on their academic results. “Taking an interest in your child’s work, whether you know the (subject) content or not, is a very powerful thing for children,” Lewis says. “It gives them acknowledgment and a sense of worth and value in what they are doing and achieving.” He says getting involved can be as simple as attending school information evenings and parent-teacher interviews. “Parents can feel that they’re out of their depth when it comes to their child’s schooling but they play a really important role in supporting students,” Lewis says. “As students get older, (parents) won’t always have to sit down to do homework with them – but they might have to support them in planning their time so that they can get their schoolwork finished.”

Parental communication with teachers is vital at all stages of schooling. Lewis says it is always better to meet teachers at the beginning of a school year rather than wait until problems arise and tensions occur. Sandra Kanellos has always volunteered at her children's school and, at home, makes a point of asking them what has happened during the day. “They (George, in Year 11, and Katarina, who completed Year 12 last year) don’t always think it’s cool to have me there but, I think, if they don’t want you there maybe they’re trying to hide something,” she says. “If you become involved in the (school) community, the teachers do see you in a different light and they’re much more approachable – they’re not always thinking, ‘Here comes that mum that’s going to break my chops about something’.”

May God bless you,
John Connors
PRINCIPAL

OUR RESURRECTION SCHOOL MOBILE APP

The App is designed to keep students, families and the broader school community connected and up to date with the latest information from Resurrection Primary School. Some of the App features include:

- Notifications allowing you to receive alerts and reminders
- Events calendar and Contact information
- Documents library which contains newsletters, forms and policies

You can access the app via the direct links below, or by searching for our school name.

We encourage all parents to download the App and stay connected with what’s happening at school.

ASH WEDNESDAY CANTEEN MENU

Ash Wednesday menus were sent home last week. Orders must be returned to the canteen no later than TOMORROW Friday 24th February. No further orders will be accepted on Ash Wednesday as no meat will be served on this day.
Please keep in mind our next WORKING BEE, which will start at 8.30am this Saturday 25th February. Remember that working bees are a vital way of improving our school environment. There are many parents who, due to work and other commitments, cannot assist during our normal school week. Our working bees are a great opportunity to meet other parents and assist your child’s school at the same time.

I invite parents who have their eldest child in Middle School (Years 3 & 4) to attend as your one working bee commitment for the year.

Dear Mr. Connors,

The __________________________ family are able to attend the working bee on Saturday 25th February.

Number of adults ___________ Eldest child’s name __ ___________ Year ____ Room ___

**SCHOOL PHOTO DAY WEDNESDAY 15TH MARCH**

School photo information will be sent home next week with your child. If you require a sibling envelope please come to the office to pick one up. If you are choosing to pay for your photos in cash, please ensure the exact money is enclosed as the office is unable to provide change.

Please ensure all students are in FULL SUMMER UNIFORM ONLY on the school photo day (NO RUNNERS).

**STORY TIME**

**MacKillop Room**

Fridays from 2.45pm - 3.15pm

Parents please come for story time with pre school children

**SECOND HAND UNIFORM SALES**

Our second hand uniform sales will be sold on Friday 3rd March between 2.30 & 3.15pm. All items are $5.00 each. Please try to bring the correct money. Enter through the side doors. **Donations welcome!**
Student Medical and Family Information

Student Medical and Family Information sheets will be sent home next week. Please update any incorrect information on the sheets as soon as possible so that our school records are kept up to date.

ONPSYCH

Childhood and adolescence can be a difficult and challenging time for some students. Fortunately, school support staff is in a position to help students deal with these challenges by linking them to specialist staff on school grounds. onPsych services are available at Resurrection Primary School. onPsych offer services to students and their families at no cost under the GP Health Plan. This will entitle the student/family member to a maximum of 10 sessions per year with the psychologist.

Clara Lee is the onPsych staff member working at Resurrection. For further information contact Helen Belden or feel free to contact the General Manager of onPsych services, Dr Natalie Flatt on 1300 659 350 or visit their website www.onpsych.com.au

ONLINE SAFETY AND CYBERBULLYING

This is an event not to be missed – it will change your thinking

Delivered by a professional speaker on the topic of digital compliance and internet safety. You will be presented with engaging and powerful information in a way that will bring to life possible online dangers and responsibilities which are a part of your child’s digital world. Strategies of protection and prevention will empower you to reduce online risks within your home. You will be amazed how simple this can be.

Where: Resurrection Primary School
When: Thursday 2nd March
Time: 7:00 pm
**PARENT HELPERS**

Dear parents, as part of our Literacy and Numeracy lessons, we require parent helpers. If you would like to volunteer some time, helping in the classroom, there will be a meeting in the library on Monday the 27th of February at 2:30 pm.

Tasks you may do as a classroom helper:
- Listen to students read
- Supervise small group work
- Change Take Home books
- Help students practise handwriting
- Counting
- Play games
- Assist the classroom teacher with resources.

We would love to have you on board and together help the children with their learning. All parent helpers must have a “Working with Children Check”

Looking forward to meeting you.

Teresa Rossitto - Literacy Coordinator.

---

**ICT....what you need to know & do!**

Resurrection School is committed to student use of technology as a tool to expand their learning opportunities and conduct educational research. We endeavour to provide a safe and secure online experience for our children.

As of this newsletter we have received a signed copy of the school’s [ICT Acceptable Use Policy agreement](#) from every student in Years 3,4,5,6… this response is very pleasing!

However not all signed [ICT Acceptable Use Policy](#) Prep ~ Year 2 have been returned from these Levels.
These were given out at the Parent/Teacher chats last Thursday or distributed to students directly if the family was unable to attend the chats.

The agreements cover the conditions of use of technology at Resurrection Catholic School and the consequences if your child breaches these conditions.

**Ideally** we hope you have gone through these guidelines and conditions with your child/children, to ensure their understanding. This is a contract that the students must sign (or have signed on their behalf by a parent) and return to the school.

**Please emphasize with your child/children the importance of signing and following the conditions of this contract.** The agreements must be signed by a parent/ guardian (for Years Prep~Year 2). These must be returned so that your child/children may begin to use our computers/ iPads/ netbooks.

**Please ensure your child’s/children’s signed form is returned a.s.a.p.**

**Programs to be used in Classes this Year ~**

**Student Portal ~**
We will continue to use the Student Portal as the gateway into the World Wide Web (www). It is password protected, all students (Year 1-6) have their own login and a password, as allocated by the school, Prep students will receive theirs later in the year.

The class teachers and the Specialist teachers will add links to educational resources; events for their classes; and children’s work samples. This site is accessible from any computer with internet access, we are more than happy for students to use these links at home, the address is as follows:

Manga High ~
This year our years 3-6 students will have access to Mangahigh. Mangahigh is one of the world’s first games-based-learning sites, where students learn Mathematics via purpose-built casual games that balance fun and learning. Games-Based Learning fuses computer games and academic subjects to provide a compelling and exciting addition to classroom teaching. Many scientific studies have shown that students perform better with the help of Games-Based Learning.

Resurrection students in years 3-6 will be given an individual logon and password. Games and tasks will be assigned by the classroom teacher based on the students individual learning needs in Mathematics. We encourage students to use Mangahigh at home as well as at school.

www.mangahigh.com

StudyLadder ~
Studyladder is a web based program built by teachers to help students of all abilities have fun while learning. Some students will be using StudyLadder in class for both Literacy and Mathematics.

**English** ~ Pre-Reading, Reading Skills, Comprehension, Reading for knowledge, Spelling, Vocabulary, Grammar, Writing, Handwriting, Phonics, Sight words, Word families, CVC lists…..

**Mathematics** ~ Addition, Subtraction, Multiplication, Division, Fractions, Money, Early mathematics, Counting, Numbers, Place value, Numbers, Number drills, Problem solving, Mental strategies, Mental…..

Other areas also on this site include….

- **Science** ~ Physics, Chemistry, Biology, Earth and space, Your local environment, Respect and care, Biomes (ecosystems), Animal groups, Carnivores, Herbivores, Omnivores, Mammals, Farming/ ICT ~ Social and ethical practices with ICT, Investigating and searching with ICT, Communicate and share with ICT, Managing and operating ICT, History of Computers, A look inside computers, / Health, Safety & Citizenship ~ Emergency services, Bullying, Keeping Active, Eating well, Bike Safety, Safety around the Home, Water Safety, Fire Safety, Road Safety, Internet Safety, Beach Safety, Sun Safety, Safe handling and much, much more!

Banqer ~
Banqer is an interactive learning tool to assist teaching financial literacy and help boost motivation in the classroom. It is a “...simulated online banking for your classroom, it provides a hands-on environment for kids to get curious, creative, and ultimately, confident with money...”

This program is both engaging and motivating......it encourages good behaviour, and increases everyday student productivity while developing an understanding of topics such as income, savings, and interest. It can be a fun and easy way to introduce money management and personal finances to Years 1- 5 students.

https://www.banqer.co/

There are many other links on the Resurrection Kids site as well, often they do not require usernames and passwords but those listed above will require the credentials set up by the classroom teachers as well as your child/children’s Resurrection Kids username/password.

Parents of Year 3/4/5/6 Students….Please DO NOT forget!

ONPSYCH….Online Safety and Cyberbullying Information night

**When**: Thursday 2<sup>nd</sup> March
**Where**: Resurrection Catholic Primary ~ Level 4
**Time**: 7pm
PARISH NEWS

Ash Wednesday
Lent begins this Wednesday 1 March. There will be two Masses:
*9.30am With the participation of our school children and *7pm
Times are on our web www.resurrectionkingspark.org and also on our Facebook

Lenten Opportunities
*Every Monday of Lent join our RCIA team and candidates at 7pm in the Community to break open the following Sunday’s Readings.
*Pilgrim walk after 10.30am Mass on Sunday 19 March to the Mary MacKillop Heritage Centre (200meters from St Patrick’s Cathedral). The centre is being specially opened for us on that day. We will be given a tour that will include relics and memorabilia of St Mary of the Cross MacKillop. The date is important as it is the feast of St Joseph. Mary MacKillop started the Josephite Order.
*24 Hours with the Lord commencing with our 6pm Mass on Saturday 18 March and concluding 6pm Sunday 19 March.

Parish Meeting Night
This Wednesday is also the first Wednesday of the month; our Parish Meeting Night. Given that we are celebrating Mass at 7pm our meetings will start later but by eliminating supper everyone should be home at the same time as usual.

Can You Help?
For the past almost 20 years one of our Parish Ministries has been cleaning our Parish Office. Sadly there is no one doing this important work at present. Two parishioners did commit to this ministry at the annual sign-up in December; however because of changed circumstances neither is currently available. Might this be your way of serving our parish? The real thing about this ministry is that it offers maximum flexibility; the office is open seven days each week. You can come weekly or monthly might be more realistic for you. Unless some parishioners come forward we will need to employ professional cleaners with the associated cost being incurred by the parish. Please contact the Parish Office if you can help.

Ministry Meetings
Our 2017 rosters have commenced (check the Web www.resurrectionkingspark.org to see when you’re “on”). Meetings for Hospitality, Proclaimers of the Word, and Special Ministers of Communion have already taken place. These are important meetings, as the mind of the Church is that ministers participate in on-going formation.
A second round of meetings has been scheduled for those who were unable to attend the first meeting:
Saturday 4 March 10am Proclaimers of the Word
Saturday 4 March 11am Hospitality Ministers
Saturday 18 March 10am Special Ministers of Communion
The April rosters and beyond will only include those parishioners who have participated in their relevant Ministry meeting.

18+
If you are over 18 and under say 30 you might like to consider coming for dinner here in the parish on Wednesday 22 March at 6.30pm. Our guest speaker will be Brian Bourke the most senior barrister at the Victorian Bar. Brian was defence counsel for Ronald Ryan; the last person executed in Australia. He has participated in over 60 murder trials. He is also a practicing Catholic. The hope is that these dinners will be a regular feature of our parish encouraging young adults to gather over a meal, then have a guest speak on contemporary issues leading into a discussion on “faith matters” and why faith matters. Should you like an invite or know somebody who may be interested please contact Fr Noel at the parish office or email him noel.brady@cam.org.au

Major Works
Over the next weeks parishioners will notice major works in and around the Parish Office. These works follow on from a structural engineers report, soil testing and drainage inspection. There has been movement of the slab resulting in some major cracking both inside and out. The expert advice is to clear trees and bushes that are too close to the office, put in new storm water drainage pipes and construct a concrete path around the perimeter of the building. Once the work is completed some landscaping and beautification will be undertaken.

Vision Statement
At this weekend’s Masses parishioners have the opportunity of indicating which words they think important to include in a proposed parish Vision Statement.
Please pray for the guidance of the Holy Spirit that the core group working on this project will be inspired to create a statement that will become known by all parishioners, guide everything we do and drive change within our parish.
RESURRECTION / MOVELLE

OUTCOME 4 – CHILDREN ARE CONFIDENT AND INVOLVED LEARNERS
Children transfer and adapt what they have learned from one context to another.

Our morning sessions are very interesting with the children as many of them are half asleep, tired and generally take a little longer to get into the session. Others are great morning people and don’t have trouble at all helping others manage their breakfast in the morning and helping facilitate duties for peers so support with. Many children use confidence mentoring skills not only to serve themselves but to teach others based on what they already know. It’s amazing to witness our props manage to commit to our routines and learn further on top of what they have brought through the great examples our older children role model. Breakfast is always a fun experience here at OSHClub!

Almost halfway through the term and we’re still gaining some more new faces at the program! We really do enjoy meeting new children that come along with their families even just to enquire about OSHClub. Our children always find something funny and rewarding to engage with under the care of highly trained professors who genuinely love our children. Please don’t hesitate to spread the word also to anyone else curious about our service!

The past week has been busy with some new equipment being added, we’ve found even more positive interactions amongst our children. They have some time to create Chocolate Truffles but finish off with some American Brownies as well to be excited about. Soon we will organise some great children’s portfolios for our families to browse through as well to showcase some learning at the program.

FRIENDLY REMINDERS: If you need to cancel ASC please do on the internet by 3:15pm on the day before, send us a text on 0408 477 328 or pop in to let staff know you are collecting your child so that we know where the children are. There is a $2/minute fee for each child that is picked up after 6:30pm.

The memories we’ve made at OSHClub 😊

Sometimes we have a short group meeting together to quickly go over any news or routines to go over - they listen so well!

OSHClub Resurrection Team

We are all happy our pupils have really taken to the program very positively and highly enjoy their time especially Ashton!
Welcome to the first SPS "speech box" for the year. Each speech box will cover a different topic and provide information and suggestions for things you can do at home to support your child with their learning. If you would like further information contact the SPS speech pathologist at the school.

---

**Reading with your child and reading to your child**

In the early years of schooling your child will be bringing readers home. The reading practice they get by reading school readers every night is invaluable to reading progress. When doing readers with your child, also take the time to talk about the book. Discuss the cover, talk about the pictures and predict with your child what might happen next.

Along with reading with your child, it is also good practice to read to your child. Bedtime stories where a book or part of a book is read each night is a way to encourage children to engage with books and build vocabulary and language skills. Talking about the stories also develops meaningful interactions between parent and child.

Studies have shown that the types of interactions between parent and child can result in a more than 30 million words gap between children by the time they are three years old. [Link](https://www.afl.org/sites/default/files/periodicals/TheEarl yCatastrophe.pdf)
